GOLF DAY 22 OCTOBER 2009

There is a golfer's saying that goes "it never rains on a golf course". Well on Thursday 22 October "it never blew on the golf course". After terrible winds on the Wednesday the annual Oranjia Golf Day dawned and it was still and hot – perfect conditions for golf!!

A full field of golfers came out to participate in the Golf Day, and to support Oranjia. After a long hot day on the course, the players enjoyed drinks and a snack in the club house where prizes were awarded to the top players. The first prize was won by Farrel Cohen and Denis Kaye

GOLF DAY 22 OCTOBER 2009 (Continued)

The FRIENDS OF ORANJIA draw was conducted at the prize giving. Over 1,000 tickets had been sold – and the prize was a Tata Indica car. Trustee and convener of the draw Mr. Abe Sank drew 10 finalists. Each finalist was allocated a ball, and James Loughnane the Director of Golf at King David then chipped all 10 golf balls towards the pin on the eighteenth hole. The ball number 4 was closest to the pin, and Derrick Jardine was the lucky winner!

Frank Ave House renovated ultra modern!!

In July this year, with much excitement, our children moved back into the beautifully renovated Frank Avenue. The children loved it from the start. They now have their own bedrooms and enough communal space for them not to be on top of each other. They regularly enjoy the garden which was seldom used previously.

What has been most gratifying to observe is the sense of pride that the house has given the children. This has also translated into an improvement in schoolwork.

We are extremely proud of the academic/communal achievements of our children. Our university student is doing well and we observed an increase in marks with most of our other children. At the recent Herzlia High School Prize giving, one of our children received four awards and another one received one award.

Services Offered At Oranjia:

History of Oranjia: did you know?

- Established in 1911 as an orphanage.
- “Ochberg children” also referred to as the “Immigration of the Ukranian Orphans”, the idea of rescuing Jewish orphans from these areas quickly took form and gained support.
- Not a single child at Oranjia today is an orphan
